流动眼科诊所走入邻里 方便年长者就近检查

年长者今后可在疗养院、民众俱乐部，甚至是住家楼下享有全面的眼科医疗保健服务，无需舟车劳顿地到医院做检查。

渣打银行和新加坡眼科协会合作设立流动眼科诊所，并在昨天中午于光明山长青疗养院举行推展仪式。

这项为期两年的计划，主要针对因个人因素无法到医院做检查的50岁或以上年长国人。渣打银行计划在2016年9月前到八个地点，包括疗养院、民众俱乐部和组屋区的公共场地，设立流动诊所，为年长者进行检查眼部和简单治疗，预计将有1600名年长者受惠。

渣打银行之前在在达曼裕廊和振瑞路设立两次实验性的流动眼科诊所。超过400人前来做检查，其中12人被确诊为需要动白内障手术。伊丽莎白医院已经赞助这些病人进行手术。

渣打银行新加坡总裁瓦诺（Neeraj Swaroop）表示：“我们知道有很多独居老人因为无法负担医药费，或是没有行动能力，而得不到最基本的眼科医疗保健服务。通过流动眼科诊所，我们希望为有需要的病人提供跟进治疗和援助。”

Summary

In a two-year partnership with the Society of Ophthalmology (SSO), Standard Chartered Bank officially launched the Mobile Eye Clinic at Bright Hill Evergreen Home yesterday. Standard Chartered

Bank plans to increase the number of Mobile Eye Care Clinics to eight locations before September 2016. This will include nursing homes, community centres and public housing estates with an expected number of 1600 seniors who will benefit from this program. Previously, Standard Chartered Bank launched two Mobile Eye Clinics in Taman Jurong and Chin Swee Road and there were more than 400 turnout with 12 people diagnosed with cataract. Neeraj Swaroop, CEO of Standard Chartered Bank Singapore, said: "We know there are many elderly who are unable to receive proper basic eye care as they are unable to afford hefty medical expenses or due to physical constraints. We hope that the Mobile Eye Clinic is able to provide follow-up treatments and assistance for patients who are in need."
